Impressive white brick-front colonial

This impressive white brick-front home offers 4,263 sq. ft. of spacious living with 5 bedrooms, 3.5 baths, front & back staircases, and a finished daylight basement.

Solid wood floors, brand-new carpeting, and elegant tile flooring enhance the interior. The grand family room boasts 19' ceilings, while bay windows brighten the living and dining rooms. The breakfast nook features bay windows and a slider overlooking the private backyard.

The spacious primary suite offers a luxurious bath and oversized walk-in closets. The finished basement includes a home theater, game room, workout area, and versatile bonus room. Spacious garages feature high ceilings and an access door.

Highlights

- Grand family room with 19' ceilings
- Bay windows in living & dining rooms
- Breakfast nook with slider to private backyard
- Primary suite: luxurious bath + oversized walk-ins
- Finished basement: theater, game room, gym, bonus room
- Easy access to NY bus & train, major roads, shopping, organic farms & the Jersey Shore
